## ABOUT ME

*I am a creative and motivated individual with a strong interest in graphic design and web development. Through my personal projects under the brand name Pixelo Graphic, I have developed skills in logo design, poster design, social media graphics, and visual branding. I also have basic knowledge of HTML, CSS, and PHP, and I am continuously working to improve my technical and creative abilities. I am eager to learn new skills, gain professional experience, and contribute creativity and dedication to a professional working environment.*
